Vehicle Description

Porsche 911 Speedster 997 series, 2012 production year
Incredibly low original kilometers: just 18.700!!! Strictly limited edition for the 25th anniversary of Porsche Exclusive 1 of only 356 units ever produced!!! This particular unit holds number 179 badge. Compared to the standard Porsche 911, the Speedster differs i.e. by the lowered windscreen, widened rear body part, so called "double-bubble" cover for the automatic soft-top roof, front bumper and side skirts aprons and black-white, "chequered flag" leather upholstery. All these details make 911 Speedster a great homage to the classic '53 Porsche 356 (hence the total limited production). Rare, strictly limited variants of Porsche 911 are extremely desirable exhibits. 997 Speedster is a beautiful and versatile sportscar, great element of rare Porsches collection and certain investment – collectible Porsches come with guaranteed value growth in time.
