Vehicle Description

Porsche 911 Turbo 996 series, 2002 production year Incredibly low original kilometers: just 94.000!!! More information about this car via phone or e-mail +48 606 502 793; +48 888 037 000; kimbex@kimbex.pl IMPORTANT: Collectible vehicles from Japan are left-hand drive and use metric units – you can drive them just like any european car!!! Full books documentation since first registration. Why should you buy a car imported from Japan? Here's why: First of all for Japanese people owning a car with a steering wheel on a "wrong" side is a symptom of luxury and prestige. Secondly – they just love their cars and are pedantic about keeping them in a mint condition. Thirdly – driving a left-hand drive car on japanese streets is uncomfortable. This results in a very low mileage, since the cars are usually driven only at car shows and on short weekend rides. Last but not least – for a Japanese owner it's a matter of honor to service, maintain and sell the car properly! That's why KIMBEX Dream Cars prefer to offer you cars imported from Japan than US market vehicles with imperial units gauges, side marker lights and usually bad history of maintainance resulting in various difficulties for...
