Vehicle Description

Porsche 911 Cabrio Strosek 964 series, 1992 production year
Incredibly low original kilometers: just 48.900!!! Extremely rare example of the classic Porsche 964. Modified by famous german company Strosek Design. Probably one of only 33 units ever made! Car is in a great shape what in combination with its unique character makes it a perfect choice for a classic cars collector – value growth and huge pleasure from driving are guaranteed. More information about this car via phone or e-mail IMPORTANT: Collectible vehicles from Japan are left-hand drive and use metric units – you can drive them just like any european car!!! Full books documentation since first registration. Why should you buy a car imported from Japan? Here's why: First of all for Japanese people owning a car with a steering wheel on a "wrong" side is a symptom of luxury and prestige. Secondly – they just love their cars and are pedantic about keeping them in a mint condition. Thirdly – driving a left-hand drive car on japanese streets is uncomfortable. This results in a very low mileage, since the cars are usually driven only at car shows and on short weekend rides. Last but not least – for a Japanese owner it's a matter...
