IMPORTANT: Collectible vehicles from Japan are left-hand drive and use metric units - you can drive them just like any european car!!! Full books documentation since first registration. Why should you buy a car imported from Japan? Here's why: First of all for Japanese people owning a car with a steering wheel on a "wrong" side is a symptom of luxury and prestige. Secondly - they just love their cars and are pedantic about keeping them in a mint condition. Thirdly - driving a left-hand drive car on japanese streets is uncomfortable. This results in a very low mileage, since the cars are usually driven only at car shows and on...
