Vehicle Description

Ferrari 512 Testarossa, 1997 production year Incredibly low original kilometers: just 74.000!!! Legendary car from Maranello – must-have in true classic car collection. Its perfect condition guarantees value growth in time. After imported to Poland Ferrari has been fully serviced at Ferrari Katowice dealership, where all the maintenance parts (including all clutch set) have been replaced, what is confirmed by an invoice (almost 10 000 Euro). More information about this car via phone or e-mail +48 606 502 793; +48 888 037 000; kimbex@kimbex.pl IMPORTANT: Collectible vehicles from Japan are left-hand drive and use metric units – you can drive them just like any european car!!! Full books documentation since first registration. Why should you buy a car imported from Japan? Here's why: First of all for Japanese people owning a car with a steering wheel on a "wrong" side is a symptom of luxury and prestige. Secondly – they just love their cars and are pedantic about keeping them in a mint condition. Thirdly – driving a left-hand drive car on japanese streets is uncomfortable. This results in a very low mileage, since the cars are usually driven only at car shows and on short weekend rides. Last but...
